When you partner with Rotary, our 1.2 million members amplify your impact, elevate your brand, advance important causes, improve communities and gain access to global connections

RI Director
Bharat Pandya
2019-20

Rotary is built on connection. Through its distinct mission and structure, Rotary International provides a way to connect to our communities, to network professionally, and to build strong and lasting relationships.

Our membership connects us to a global community through our countless projects and programs, our leadership in polio eradication, and our work with and through the United Nations. Our service connects us to people who share our values, who want to take action for a better world; it connects us to people we would never otherwise meet, who are more like us than we could have imagined; and it connects us to people who need our help, allowing us to change lives in communities around the world.

In 2019-2020, it will be our challenge to strengthen the many ways that Rotary Connects the World, building the connections that allow talented, thoughtful, and generous people to unite and take meaningful action through Rotary service.
